Subject: Timmons Construction/J&J Earthwork

Good morning Ms. Evans:

Our firm is counsel for J&J Earthworks, Inc. I received your correspondence to Mr. Paulsen's of yesterday's date and wanted to reach out. My partner Jason Smiley who has been handling this matter is on sabbatical. I see that the letter has a response time of one week, and I was wondering whether you would be willing to provide an extension so as to allow me to get back up to speed on the issue. I would personally also appreciate the extension as I'm out of the office a good chunk of next week due to a death in the family.

If you would be willing to grant the extension, I would appreciate it. On a side note, both Jason and I have had cases with Hugh Brown in your office and enjoyed working with him. We look forward to working with you in this matter.

Thank you,

Katie
